MATCH INTENT: Test equipment realistically used for home defense, self-defense or law enforcement in challenging low light conditions.

RULES: We will follow USPSA safety rules. All guns must be a service caliber (9/40/45/38/357)

SCORING: All shooters will be scored USPSA major with A/B/C/D scoring zones

Guns will be kept cold and holstered or cased except when firing.

WEATHER: Cold or a little snow on the ground will not affect the match. Rain, ice or unsafe driving conditions will postpone the match to Jan 30th. **If in doubt text Roger Lomshek 620-249-0037.**

EQUIPMENT: Handguns will have two divisions; Weapon mounted and Handheld.

Holsters must not break 180 degrees. Optics, white light, night vision and lasers are allowed. Those lacking a holster will start chamber empty at the low ready.

SAFETY: All guns must be empty and cased when you arrive. Guns will be kept cold until you are on the line. No gun handling unless you are on line or in the marked safety area.

This match is limited to 50 shooters so register now!

WHO CAN ENTER: Shooting at night while moving around barricades can be dangerous. You will have to shoot from awkward positions and while on the move. This match is only open to shooters with experience in dynamic shooting.

Entrants must have shot at least 4 USPSA/IDPA, etc. matches OR be Law Enforcement or Military OR have attended professional training OR have a shooter the match director knows vouch for you.

If you want to enter but aren't sure contact the match director in advance to discuss your qualifications.

ENTRY: \$25 to shoot. Pre-register by email to roger@tailwindcyclists.com and pay at the match.

Send name, USPSA number (if member), phone #, email and division (handheld or weapon mounted) plus LEO status (Yes or No) then pay at the match.

If you want to shoot with friends list their names in your email as preferred squad-mates. We will try to squad you together.

On-site registration will only be allowed if space remains. Pre-register to reserve a spot.

PRIZES: Trophy plaques will be awarded to the top three of each division (Handheld & Weapon mounted) & top three LEO's.

STAGE BASICS: Shooters will engage targets from routine and unusual positions around barricades and through shooting ports. Distances vary from three to thirty yards. **There will be four stages with approximately 120 rounds total fired.**

RANGE CONDITIONS: If you need it bring it. Temps have been in the teens at prior matches. Stars and moon will be the only light. Besides a tactical light bring a simple headlight for administrative work. If you want anything to drink or eat bring it.

WORK: Volunteers are needed to set up the stages early. Shooters must help reset stages, paste targets and tear down the stages once the match is complete.

BEGINNERS: Because of the obvious dangerous shooting conditions this match is only for very experienced shooters.
